The Honorable
William J. Casey
Director of Central Intelligence

Red FR 9 JOC
Executive Registry
84-2662/2.

Dear Bill:

I am very appreciative of your efforts in organizing and managing the helpful Intelligence Seminar of 23 June. It was a useful experience for me, and I believe I now have a better feel for what the resources of the Intelligence Community can do for me, particularly when I call upon them for specific purposes.

As I mentioned, I would like to have a second session, which I have asked Hugh Montgomery to arrange later on in the summer, in order to continue the discussion of terrorism as an intelligence target, and also to spend some additional time looking at production resources of the Intelligence Community.

Please also extend my appreciation to Bob Gates and
 for their participation in this seminar.

25X1

Sincerely,

Shultz
